PREFACE.

A long interval, which the Editor greatly regrets, has elapsed since the first volume of Worcestershire Parish Registers was printed in this series, a delay caused by a variety of reasons, an important one being the absence of sufficient local help in the transcriptions of the Registers, But it may be hoped that the appearance of the present volume will stimulate a renewed interest in the subject in Worcestershire, and that it will be possible for the future to issue at least one volume annually. It may be mentioned that in some counties as many as two volumes of Registers have been issued in each year.

In the previous volume twelve Registers were included, of which six dated from the sixteenth century; the present one contains seventeen Registers, and of these nine commence at the same early period; three of them being dated 1539, the year after Parish Registers were directed to be kept by the order of Thomas, Lord Cromwell. Four belong to the seventeenth century, and one does not begin till the late date of 1713.

It may be convenient to repeat here the names of the parishes which were included in the first volume.

They are :

Shipston-on-Stour, 1571.

Tidmington, 1693.

Bradley, 1630.

Kempsey, 1690.

Alderminster, 1641.

Offenham, 1543.

1379280

Alstone, 1550.

Kingston, 1588.

Redditch, 1808.

Church Lench, 1702.

Rous Lench, 1539.

Elmbridge, 1570.

This volume, like its predecessor, is issued without an index. The Editor hopes that it will be feasible hereafter to issue a general index for the whole county, and thus avoid that great evil—an undue multiplicity of indexes. Moreover, by postponing index-making, we

expedite the printing of the Registers themselves, a matter of no small moment when we remember the serious risks of fire, theft and forgery, not to mention those of natural decay and accidental loss, to which these valuable records are continually exposed.

The following abbreviations are again made use of:

w.=widower <i>or</i> widow.	p.=of the parish of.
s.=spinster, single woman.	co.=in the county of.
b.=bachelor, <i>or</i> single man.	dioc.=in the diocese of.
d.=daughter of.	lic.=marriage licence.

The Editor desires to express his thanks to his old friend, the Rev. Frank Taylor, who has since passed away, and to the Rev. A. D. Wilkinson, the Rev. A. C. Style, the Rev. F. S. Lowndes, the Rev. W. Davies, the Rev. J. H. Bourlay, the Rev. E. E. Lea, Mr. J. W. Rusling, and Mr. W. Bradbrook, for their valued help in undertaking the needful work of transcribing these ancient Registers for the present volume. Thanks for permission to print the Registers are due to the clergy, whose names are mentioned under the respective parishes.

It may be well to remind the reader that these printed abstracts of the Registers are not legal "evidence." For certificates application must be made to the local clergy.

It only remains to add that the Editor will gladly welcome further help in the way of transcribing the Marriage entries for the ensuing Volume III. Such voluntary help alone renders it possible to issue this series of the Parish Registers of Worcestershire.

Worcestershire Parish Registers.

Marriages at North & Middle Littleton,

1662 to 1812.

NOTE.—The earliest existing Registers belonging to North and Middle Littleton commence with entries under the date 1661, and includes the weddings in the year 1740, but some extracts from an earlier register book now lost, are preserved in the British Museum. These extracts state:—

“The Register of the Parish of Middle Littleton and North Littleton beginneth 18th July, 1595.”

The second volume contains the Marriages for the period of 1740 to 1752, while the third volume of the usual printed forms gives the Marriages from 1755 to 1812. The extracts have been made by the late Rev. Frank Taylor, Vicar of Littleton, and they are now printed by leave of the Rev. F. G. E. Ashworth, the present Vicar.

Marriages at Churchill-in-Halfshire,

1564 to 1812.

NOTE.—Down to the end of the year 1750, all entries—Baptisms, Marriages, and Burials—are found in one parchment book, in size, about $11\frac{1}{2}$ inches by $8\frac{1}{2}$ inches—the leaves of which are apparently of skin, the ink wonderfully well preserved, and the writing, almost throughout, very clear and legible.

The separate Marriage Register Book used for entries made between 1761 and 1812, is of tough paper, and is, in size, about 15 inches by $9\frac{1}{4}$.

These marriage entries have been extracted by the Rev. A. Dudley Wilkinson, late Rector of Churchill, and are now printed under supervision of the Rev. R. C. Bates, the present Rector, after the collation of the proofs with the original Registers.

Marriages at Little Comberton,

1540 to 1812.

NOTE.—The Registers of Little Comberton before 1812 are contained in four volumes.

VOL. I., which is in good condition, lately re-bound, but with some pages torn out, contains 24 parchment leaves measuring 15 in by 5½ in. Baptisms begin 1542, and end 1687; Marriages extend over 1540–1693; and Burials, 1586–1694.

VOL. II., 18 paper pages, measuring 15 in. by 6 in. is in fair condition and was lately re-bound; some pages damaged by fire and water. Baptisms and Burials, 1695–1756; Marriages, 1695–1754.

VOL. III. contains Baptisms and Burials only, from 1757–1812.

VOL. IV. contains 9 paper pages 15 in. by 10 in., in good condition, and records Marriages, 1754–1812.

The return of 1813 stated that the Registers begin in 1592, that of 1831 in 1519, and the House of Lords returns of 1872 in 1540. There are transcripts at Worcester for the years 1612, 14, 16–30, 31, 32, 34–39, 41, 62–90, 92–1700.

These Marriages were extracted by the late Rev. E. S. Lowndes, Rector of Little Comberton.

Marriages at Birtsmorton,

1539 to 1812.

NOTE.—The following description of the Birtsmorton Parish Registers prepared by the Committee of Parish Registers under the authority of the Worcester Diocesan Conference, is applicable now.

VOL. I. Baptisms, Burials, Marriages, 1539 to 1650; 32 leaves of parchment, 11½ in. by 11 in.; no gaps. Registers much stained, but entries not much injured; cover in a bad torn state, and was never bound.

VOL. II. Baptisms, Burials, 1650 to 1783; Marriages, 1650 to 1754; 34 leaves of parchment, 14 in. by 7½ in.; gap in Marriages from 1754. Cover bad and never bound, many leaves loose, penmanship is, most of it, very good.

VOL. III. Baptisms, 1783 to 1812; Burials, 1784 to 1812; only 9 pages used; parchment, 12½ in. by 7½ in.; gap from 1800 to 1819. A good bound book, but most of it unused.

The Marriages from 1754 are on loose leaves of the printed form which came into use at that period, in a very tattered condition, and many probably missing.

This transcription of the Marriage Register has been made by Mr. J. W. Rusling, of Bushley, by the kind permission of Rev. H. E. Bicknell, Rector of Birtsmorton.

Marriages at Rushock,

1667 to 1837.

NOTE.—The Marriages prior to 1838 are contained in three volumes.

VOL. I. is a book of 6 parchment leaves, measuring 12½ in. by 5¾ in., and is unbound. It contains Baptisms, Marriages, and Burials, from 1661 to 1681. This volume seems to have been mislaid in 1831, as the return then made states that the Register begins in 1686.

VOL. II. contains 41 leaves of parchment, measuring 13½ in. by 6 in., and is in good condition.

VOL. III. is the usual book of printed forms issued in compliance with Rose's Act, 1812.

These extracts have been made by the Rev. W. Davies, Rector of Rushock, and are now printed under his supervision.

Marriages at Eastham,

WITH

Hanley William, Hanley Child, and Orleton.

1571 to 1812.

NOTE.—The Ecclesiastical Parish of Eastham consisted of the Parish of Eastham, and the Chapelries of Hanley Child and Orleton until 1560; in that year the Ecclesiastical Parish of Hanley William was united with the Parish of Eastham. On Nov. 22nd, 1909, by an Order in Council the Chapelries of Hanley William and Hanley Child were divided from Eastham and formed into a separate Parish.

Marriages are celebrated at Eastham, Hanley William, and Hanley Child; Orleton Marriages take place at Eastham, though two Marriages were celebrated at Orleton, in 1778 and 1780; these two Marriages are registered on a loose sheet of paper which is attached to the Eastham Register, Vol. II.

From 1571 to 1812 the Hanley Child Baptisms, Marriages, and Burials, and the Orleton Baptisms, were registered in the Eastham Registers. Hanley William has had its own registers commencing in 1586; from 1586-1599 the entries are copied into the Eastham Register, which is entitled "A register book of all weddings, christenings and buriales, within the parish of Eastham, with the Chapples, viz., Orleton, Hanley William, and Hanley Child," but there appear to be no Hanley William entries in the Eastham Register for the years 1571-1586, or after the year 1599.

The following are the Registers from which the extracts have been made:

VOL. I., 1571-1681—Baptisms, Marriages, and Burials.

VOL. II., 1681-1733—Baptisms, Marriages, and Burials.

VOL. III., 1733-1812—Baptisms, Marriages, and Burials.

Eastham Register Book of Banns and Marriages, 1755-1812.

The Registers do not in all cases distinguish between the Eastham and Hanley Child Marriages for the years 1571-1754. The Marriages, 1754-1812 at Eastham, Hanley Child, and Orleton were copied from the Register Books of Banns and Marriages into the Eastham Register, Vol. III., though ten Eastham Marriages and one Orleton Marriage are omitted; the names are often spelt differently. The extracts given for Eastham, 1754-1812, are copied from the Register Book of Banns and Marriages; the extracts for Hanley Child are copied from the Eastham Register, Vol. III., as the Hanley Child Banns and Marriage Register has disappeared. It is presumed that these extracts given for Hanley Child are those of Marriages which were celebrated at Hanley Child, because they are not registered in the Eastham Banns and Marriage Register, and in some cases they are stated in the Eastham Register, Vol. III., to have taken place at Hanley Child.

Hanley William Register, Vol. I., 1586-1752—Baptisms, Marriages and Burials.

Hanley William Register, Vol. II., 1754-1812—Baptisms, Marriages, and Burials.

Hanley William Register Book of Banns and Marriages, 1754-1812.

The Marriages, 1754-1812, are copied from the Banns and Marriage Register into the Register Vol. II., though nine Marriages are omitted; the names in some cases are spelt differently. There is one Marriage entered in Vol. II. which does not appear in the Banns and Marriage Register. The extracts for 1754-1812 are copied from the Banns and Marriage Register.

These extracts have been made by the Rector, Rev. E. E. Lea, who had the custody of all the Registers until the division of the Parishes, Nov. 22nd, 1909, when he handed over the Hanley William Registers to the custody of the Rev. C. B. Caldicott, Vicar of the new Parish of Hanley William and Hanley Child.
